Kudos and Appreciation

Thank you Randy Glasner for the outstanding instrumental music concert last week. Our budding musicians sounded great!

Announcements and Reminders

Did you know that all students in APS can take a “grab and go” breakfast during SOLs? Free breakfast is available for all students from now until June 13. Students can go the cafeteria to get it.

On Friday, you should have received a flyer about the STUDENT PICNIC following field day on June 5. If you need another copy, you can print one here.

Reminder...As we approach the end of the year, and begin planning for next year, I want to request that parents refrain from making specific teacher requests. A great deal of time and effort goes into class placement and consideration, including the social emotional needs of each child. We have a comprehensive plan in place as teams begin the grouping process. Instead, I encourage you to attend our Rising Grade Level Parent Orientations to become more familiar with the staff in the next grade level.
