**Reminder...**As we approach the end of the year, and begin planning for next year, I want to request that parents **refrain from making specific teacher requests**. A great deal of time and effort goes into class placement and consideration, including the social emotional needs of each child. We have a comprehensive plan in place as teams begin the grouping process. Instead, I encourage you to attend our **Rising Grade Level Parent Orientations** to become more familiar with the staff in the next grade level.

Information and resources are available on the [Annual Online Verification Process](#) webpage.
