From the Principal

Check out the [PTA Newsletter](#).

Thank you all for the delicious **soups and salads** on Friday during conferences. We really appreciate it! We also really appreciate the time and conversation about our students and the **partnerships** we have with our families. This promotes a positive and productive environment where we are able to meet the needs of all our students.

As we begin to wrap up the first quarter, we want to remind families that if you have not yet completed your online verification form, please do so. The first quarter **standards-based report cards** will be electronically sent on **Friday, November 22**.

We have been watching the weather for Thursday and it looks like we need to **move our parade inside**. Students will process through the building along an assigned route, walk through the **"parent viewing area" in the MPR** and walk to the gym. The **Williamsburg Drumline** will be in the MPR. Parents are invited to watch from the sidelines of the gym. If we get a window of dry weather, we'll adjust and move back outside and use the original plan for the parade.

As a reminder, we do have a few guidelines about costumes:

- Costumes should be **age appropriate** and **not too graphic/gory**
- Students **may not** wear full face make-up
- Weapons of any kind are **not permitted**
- Costumes may be worn to school, or students may change before the parade, but **masks/head coverings** may only be worn during the parade

Thanks,

Eileen
