

Nottingham Knightly News

February 18, 2020

From the Principal

Check out the [PTA Newsletter](#).

It was great to see the new faces at the first of our two **school information sessions**. The next session is set for **April 2, 9:15 AM to 10:45 AM, in the library**.

The ***Your Voice Matters*** survey provides insight from APS families, students in grades 4-12, staff, and teachers. The Nottingham parent **response rate is currently 19%**. Topics include safety (school and community climate), health and well-being, voice, and engagement. APS and the [Arlington Partnership for Children, Youth, and Families](#) (APCYF) partner on the survey to gather information on areas of mutual importance and to deepen understanding of youth and family well-being. The survey administration process is managed by [Panorama Education](#), an independent educational survey research company. The results are used to inform work across both the school division and the County. The data also provides APS with new benchmarks for measuring progress with stakeholders on the 2018-24 Strategic Plan. The survey is conducted biannually and will be administered next in January-February 2020. **Surveys are open until February 28th**.

Where's My Survey? If you have an email in ParentVue it was sent to the Primary Email of the parent or guardian listed first on enrollment documents. If you do not have an email in ParentVue you will receive a paper copy to your home address. **If you can't find the email with your survey link, please email support+arlingtonva@panoramaed.com and ask Panorama Education to resend the link to your survey.**

Today is the **100th day of School!** Our kindergartners showed off their counting skills by parading around the building. Much fun was had by all.

Spring Parent-Teacher Conferences are being offered the afternoon of Thursday, March 5th and also all day on Friday, March 6th. Online sign-up begins on **Monday, February 24th at 12pm and will close at 3pm on**

Friday, February 28th. The link to sign-up is:
nottingham.apsva.us/conferencesignup

Each year during STEAM night, the library hosts a community build project. This year's project is a plastic bottle cap mural. We need your help!

Nottingham library staff is collecting plastic bottle caps of all colors and sizes. Please bring your WASHED CAPS (plastic only) to the library for drop-off. Then, join us on Tuesday, March 31st, to create our mural!

Relative to a rise in the number of **flu cases in the building and the Coronavirus** situation, please note the letter below that was sent by the central office to parents.

Dear APS Staff and Families:

Given recent news coverage of the Novel Coronavirus, we recognize that you may have concerns about the health of your student(s) and how Arlington Public Schools (APS) protects students from becoming ill.

APS shares these concerns and has consulted with the Arlington County Public Health Division (PHD) regarding their recommendations to prevent students from becoming ill in schools. The following steps are being taken based on PHD recommendations:

- *APS will continue to clean and disinfect touched objects and surfaces frequently. The cleaning materials that are used meet the criteria recommended by the Centers for Disease Control and Prevention (CDC) and the Environmental Protection Agency (EPA) for control of coronavirus.*
- *APS will continue to reinforce the following effective behaviors in schools with students and employees:*
 - *Wash hands often with soap and water for at least 20 seconds.*
 - *Use an alcohol-based hand sanitizer only if soap and water are not available.*
 - *Avoid touching eyes, nose, and mouth as much as possible.*
 - *Cover mouth and hands with a tissue or your sleeve (not your hands) when coughing or sneezing.*
 - *Stay home when sick – and only return to school when children and staff are symptom-free for 24 hours, including the use of fever-reducing medications.*

- *Keep their distance from people who are sick – and encourage sick people they encounter to go home and seek care as needed.*
- *Avoid non-essential travel.*

These practices are part of our standard procedures to promote healthy and safe environments, as outlined in the [Policy Implementation Procedures \(PIP\), Support for Students- Wellness I-10.30 PIP-1.](#)

To further protect all our students, our employees, and our community, we need your help to reinforce the messages above. Have your student(s) practice these behaviors at home – it will make it easier to follow these same recommendations in school.

APS will continue to work with PHD and the School Health Bureau as the situation evolves. This is a rapidly developing situation and as more information is shared about this virus, we will publish updated guidance as warranted.

For up-to-date information about the virus, visit www.cdc.gov/coronavirus/2019-ncov/about/index.html.

*Cintia Z. Johnson
Interim Superintendent
Division Chief
Arlington Public Schools*

*Reuben K. Varghese, MD, MPH
Health Director and Public Health
Arlington County*

In honor of **Black History Month**, we've pulled out a collection of books for students written by African American authors. Stop by and check one out.

Thanks,

Eileen

Upcoming Events and Opportunities

13 March, Friday	Math Day (more info to come)
31 March, Tuesday	STEAM Night, 6:00-7:30PM
18 May- 17 June	SOL Window

2019-20 Early Release Dates: March 11, June 3, June 10. Students will be dismissed at **1:26PM**.

2019-20 Parent Teacher Conference Dates: March 5-6

Remember, second quarter **standards-based report cards** will be available online on **Wednesday, February 19 after 5:00PM**. Kindergarten families will receive the first standards-based report cards on this date as well. Progress updates for students with IEPs will also be available online.

Reminders

You may have seen the **midyear message** from Superintendent Cintia Johnson and School Board Chair Tannia Talento, but in case you missed it, have a closer look

<https://www.apsva.us/post/a-mid-year-message-from-the-school-board-and-superintendent/>

At the Feb. 6 meeting, the Arlington School Board approved the **2020-21 school year calendar** with a pre-Labor Day start on Aug. 31, 2020.

<https://www.apsva.us/post/school-board-approves-2020-21-school-year-calendar-with-pre-labor-day-start/>

Families are currently able to register kindergarten students for the 2020-21 school year at their neighborhood elementary school. Families can determine their neighborhood elementary school by using the **[Boundary \(Attendance Area\) Locator](#)** and are encouraged to register before the end of the current school year to help schools prepare and plan for incoming kindergarten students. Families interested in attending an option school or program are currently able to apply online until Wednesday, April 15, 2020, at 4 p.m. The process for applying to pre-K and elementary option schools and programs is available on the **[school options webpage](#)**. As a reminder, all families will need to apply for the option schools or programs they are interested in every year to be included in the lottery because waitlists reset annually after the lottery occurs. Families interested in applying to a pre-K or elementary option school or program should complete an application through the **[online application portal](#)**. The following is the pre-K and elementary option schools and programs application process timeline: **April 15:** The application for pre-K and elementary option schools and programs closes. **April 23:** Lotteries for all elementary option schools and programs will be held at the APS Welcome Center. **April 24:** Lotteries for all pre-K programs will be held at the APS Welcome Center. **May 1:** Families will be notified of their acceptance or placement on the waitlist. **May 15:** Families must confirm or decline attendance to an option school or program. For additional information or questions about the registration process or pre-K and elementary option schools and programs, please contact the APS Welcome Center at 703-228-8000 or **schooloptions@apsva.us**.

This is a call for entries to Arlington Student FilmFest 2020. If you have students making short films in your school, help them submit to ASFF 2020. Submission is free. Students must be enrolled in an Arlington Public School to enter. Submission deadline is April 1, 2020 at 11:59pm. Here is a link to the Google Site with FAQs and the SUBMIT FILMS BUTTON:

<https://sites.google.com/view/arlingtonstudentfilmfest/home> Keep Making Films!

As you begin to make plans for this summer, please note the changes that have been made to the APS Summer School Program for 2020.

This year, in order to make the best use of available staff and resources, and to serve the students of greatest need, APS will no longer be able to offer elementary summer enrichment programs, including: Global Village Summit, Fun with Coding, Math Academy and Summer Laureate. Outdoor Lab sessions will continue for elementary and middle school students. APS is working closely with the Arlington County Department of Parks and Recreation (DPR) to identify similar offerings and will communicate comparable camp providers through a follow-up School Talk message in early February, prior to the DPR summer camp registration. Arlington County offers fee reductions for eligible students, making these options comparable in price to APS offerings. DPR summer camp registration began on **February 12 at 7 a.m.** Lots of fun and enriching experiences for your student, with reduced fees as needed. Don't wait to sign up for a camp until you hear if your student is referred to APS summer school. Spots fill quickly. Students who are referred to APS Summer School and must cancel a camp in conflict with APS Summer School can **notify DPR by Monday, March 16 to get a full refund.** All other cancelations follow DPR Cancellation Policy. The APS Summer Strengthening Program, which runs July 6-31, will continue to be offered for elementary students who meet specific eligibility requirements established by the Department of Teaching and Learning. Enrollment is by teacher and principal recommendation only for students who are at least one grade-level below in reading and/or math.

Eligible students will be notified during Parent-Teacher conferences on March 5-6. A letter will also be mailed to families indicating student eligibility. Lastly, the make-up and strengthening fee for all programs, PreK-12, will be \$150. Students who currently receive free or reduced-price meals will continue to pay \$56 for summer classes, and students who receive Extended School Year services, may attend free of charge. The 2020 Secondary Enrichment fees and New Work for Credit fees will remain the same as in 2019. These changes were presented by APS staff and approved by the School Board at the December 19 meeting. The full presentation is available online on BoardDocs.

Please contact the Summer School Office by phone at 703-228-7645 or by email at summerschool@apsva.us, if you need additional assistance.

Learning Lab is here! On **Tuesdays from 3:45-4:45** in the library, students who need some extra support or homework help can drop by and work with of our teachers. If you would like to enroll your child in this drop-in support program, please use the link below to register. bit.ly/learninglabregister

Read To Succeed is a free program that allows students in grades K-6 to earn tickets to **Six Flags America** just by reading six hours for fun. Get ahead by reading over the winter break! **All Entries are due by April 14, 2020.**

Here is how your child can earn a free ticket to Six Flags:

1) Register this fall using this link: Visit: sixflags.com/books

Use Nottingham Elementary' s code: **CVQG1**

2) Your child may read any books they choose.

3) Keep track of your child's reading using the form below.

4) Record your child's reading at our website.

5) Receive a free Six Flags America ticket from Nottingham Elementary in May.
